

# HIRING

## Classroom Assistant with Personal Care

### **About the Classroom Assistant Position\*\*:**

To provide 1-1 support for a student with disabilities in a post-secondary classroom setting.

### **Qualifications:**

- Experience working with disabilities populations.
- Fluency in ASL and good communication skills.
- Ability to perform personal care duties, such as toileting.
- Ability to perform note taking and scribing in a classroom setting.
- Able to assist the student with assistive technology, as needed (i.e. iPad, computer etc.).
- Able to assist the student in navigating around the campus and provide practical support (i.e. taking materials out of backpack, unpacking lunches).
- Preferred training in care aide/health care work.

- Possess an understanding of the boundaries between classroom assistant and students, and able to follow the established guidelines.
- Temporary position, with work hours Monday to Thursday from 12:45pm to 3:30pm.
- Salary negotiable and commensurate based on experience.

**\*\*This position is open to male candidates (due to the student's preference).**
